For Immediate Release – January 4, 2016

## Associated Engineering moves to 9Triple8 Jasper - a LEED Gold building

**Edmonton, AB** – To accommodate our continued growth, Associated has moved our head office in Edmonton to 9Triple8 Jasper, a LEED Gold building. Moving to 9Triple8 aligns with our focus on sustainability; Sustainability is part of how we operate our business, and every project we undertake.

Our new Edmonton office address is:

**500, 9888 Jasper Avenue  
Edmonton, AB T5J 5C6**

We look forward to providing clients with the same exemplary service and creative solutions from our new location, in the heart of downtown Edmonton.

“We’re excited about moving into a LEED Gold building,” says Vice President & General Manager, Helder Afonso. “From 9Triple 8, we have great access to transit, restaurants, shopping, and the river valley.”
